Join us for **Friday Night Fever**, an unforgettable evening of fine dining and dancing, benefiting Second Harvest Food Bank, at the Musikfest Café at SteelStacks.

Second Harvest Food Bank, a program of Community Action Lehigh Valley, is dedicated to alleviating hunger and promoting food security across our region. **We provide millions of meals annually to families, seniors, and children facing food insecurity, while advocating for access to fresh, nutritious produce.** Through partnerships with local agencies and volunteers, we work to ensure our neighbors have the resources they need to thrive, building healthier, hunger-free communities throughout Lehigh, Northampton, and surrounding counties.

The evening will begin with a one-hour open bar cocktail hour, featuring hors d'oeuvres, followed by a sit-down dinner. We are excited to welcome a special guest speaker from one of our local agency partners benefiting from our MilitaryShare program. The night will also include dancing and a special recognition of Home Depot and AARP for their outstanding support of the food bank.

We look forward to seeing you on Friday, April 4 as we support the critical work of Second Harvest Food Bank in distributing food and alleviating food insecurity throughout our community.
